# PRESS RELEASE

FOR IMMEDIATE RELEASE

## **Citizens First Bank Announces FREE Community Shred Day**

*New this fall – enjoy a bag of popcorn during the shred event; voluntary donations accepted for the United Way of Clinton County!*

**Clinton, September 19, 2018:** Citizens First Bank will provide free personal document shredding to the community on Saturday, September 29, 2018. The event will take place from 9:00am-11:00am at Citizens First Bank's office at 1442 Lincoln Way, Clinton. Event organizers request that participants enter the Citizens First Bank parking lot from Lincoln Way if possible. To thank the community for "popping by," Citizens First Bank staff will be popping popcorn for event attendees.

Since 2005, Citizens First Bank has hosted a bi-annual shred event in order to help the community protect itself from identity theft and fraud. With the shredding truck available on site, participants will be able to watch as their confidential documents are destroyed. This service is intended for individuals, no businesses please.

This fall, Citizens First Bank is adding a charitable element to the Fall Shred Day event! Patrons can come to shred their documents, and make a voluntary donation to the local chapter of the United Way as well.

All are welcome at the Free Community Shred event!
